

Do Good with Jesus

Fun & Friends Inside Look

We had 51 kids registered on Wednesday and over 50 volunteers. The night started with good table talks during dinner and continued into the opening of the evening including joyous body-moving singing, a closer look at the country of India and learning more about Sudhakar whom we sponsor. The groups then went to their different places and after some outdoor games, making tie-dyed shirts or learning a new dance or puppet skit, we all gathered again for the ending songs of praise and a puppet skit performed by the leaders and participant. The night went so quickly that it ended and we all wanted more! Many thanks to all who made it a splendid evening!

Frequently Asked Questions

What kind of service can I expect? We have a beautiful mix of traditional hymns and contemporary songs. We project words and lyrics on the wall for ease of reading and participating. You are welcome to wear whatever you feel comfortable in when around other people.

How about my children? We have a Family Message during the service where an adult accompanies the children to the front for their own message. Art bags are available in the lobby to help children focus on age-related papers. Upstairs is a staffed nursery for babies and toddlers and a cry room at the back right for nursing or fussy little ones.

When and how do you serve communion? On the 1st & 3rd Sunday. The rows of people are ushered to front kneelers where the elements are offered by elders with multiple options based on preference.

Do you have Sunday School classes for all ages? Yes, though in the summer we only have one class for adults and children. See bulletin.

How do I get involved? Check out our website: www.bslc.com/DoGood/WithinBSLC. Someone will then get in touch with you.

CareNetwork

Where Two or More are Gathered

In Matthew 18, Jesus promises to be with us. That's one of the great blessings of Stephen Ministry. When a Stephen Minister meets one-to-one with his or her care receiver, Jesus is present too. He brings the power of His transforming love, and the peace, healing, and comfort that only God can give. If you would like more information on our Stephen Ministry, please call Kathy D to learn how you can benefit from a Stephen Ministry Relationship.

ADULTS

Gospel DNA - Some people are surprised to learn that the LCMS once had a reputation for being one of the more progressive, outreach-oriented church bodies around and on the forefront of missions. It wasn't something relegated to a committee or a board; it was our essence, our DNA!

During July and August, we will rediscover this DNA, learning about the rich history of the LCMS and the different Gospel Strands that tie into it, including locally right here in Oregon. Having this picture of the missional movement of the LCMS over the years will help us bring that spirit into the present day and keep us moving forward as we prepare to receive a new pastor. Each installment consists of a video element and a study guide with questions, a Scriptural focus, and possible action steps.

Moving forward as a church in the 21st century doesn't necessarily mean reinventing ourselves. Sometimes it is simply rediscovering who we have always been.

Support in the Midst of Grief

Many of us have been touched by grief in the recent years. Sometimes that touch feels more like a kick in the gut or a sense of falling. If you or someone you know is living in the shadow of grief, please encourage them to set aside some time in the Fall to take part in the grief recovery support group called **GriefShare**. This group meets weekly to help those who mourn to rebuild their life and to face the questions and challenges, all in a setting of acceptance and compassion. Stay tuned for more details. It is likely that it will start on Sept 3 and continue on Tuesday evenings at 6:30 p.m.
