Preschool Assistant and Aide Positions Still Open

We have two positions open at the Preschool. They are 22.5 hour part-time positions, Monday through Friday. The positions will be posted through the NW District and at a few colleges. If you know someone that could fit this position, who loves children and enjoys interacting with parents, please ask them to apply. The applications can be downloaded from our website.

Our next blood drive will be on Tuesday, Aug 28, from 2:30 pm - 5:30 pm. We have six slots open. Please call Marian S if you would like to fill one of those slots.

This coming Tuesday, all women are invited to participate in the LWML (Lutheran Women in Mission) meeting on Tuesday, Aug 14, at 2:00 p.m. Eunice will give an update from the LWML state convention and Trish will share about her teaching experience in China after returning on Sunday. Bring Mite boxes, if you have any.

We provide coffee and tea to give people a pick-me-up after the service each Sunday. On Saturday, everything is made ready. We just need people to come at 8:30 a.m. and plug in the coffee/water and put out the creamers, cups and snacks already purchased. Check the Connection card for your availability. We have openings for people to do this on Aug 19 and then the Sundays heading into Fall. You can let Patti, in the office, know if this is a task you could do based on your availability.

Dealing with grief is a heavy burden and brings feelings of isolation and indecision. From Sept 10 - Dec 10 on **Mondays at 6:30-8:30 p.m.**, here in Fellowship C, will be a grief recovery

support group called **GriefShare**. GriefShare groups meet weekly to help you face these challenges and move toward rebuilding your life. If you have questions, you can contact the office or talk with Liz B, who will be leading this support group. If you are interested, please contact Liz.

The flowers on the altar this Sunday are provided by our Altar Guild to the glory of our wonderful God.

We have a staffed nursery upstairs for any tired or restless young ones (ages infant to 4 years), as well as a Cry Room at the back of the sanctuary with speakers for hearing the service.

August Monthly Verse

“For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord.” Romans 8:38-39

Teamwork Can Begin to Fix the Glitch!

When there is conflict, one practical solution is to TAKE ON A TEAMWORK APPROACH. Approach the conflict as though it is not one person's fault, but rather that you want to work with the other person to find the glitch in the system. This requires using "I language" (i.e. "The problem is that I feel this way", not "The problem is that you do this thing"). Take responsibility for your feeling. No one makes you feel that way. This opens the door to fixing the "glitch" in the system... not fixing the person. There are two factors: What is communicated and how you interpret what is communicated. A glitch is usually some mix of the two. Begin with the plan to work together to fix the glitch and see God bring a resolution.

Photo Update

Wrinkles, hair, fashion and families change through the years. If you don't have an updated photo for our database and directory, then you can get your picture taken on the next few Sundays. Shirley L will have a camera and backdrop set up in Fellowship D (to the left of the kitchen) before and after service and after class. If she is not in there, then ask and we will find her. Anyone can get an updated photo taken. (You can also update your own individual and family photo in CCB by logging in and clicking the circle in the banner. A little camera will appear. Click and replace your picture. You can change the family photo by scrolling to the top of the banner and clicking on the camera.)

Today we warmly welcome (back for some) into fellowship these new members:

- Hugh and Louise B
- Liz B
- Brian D
- Walt & Pat F
- Jim & Kay K

Come and meet them in the fellowship hall after the service.

Let's Pray for Our Tech Teams

Every Sunday, there are people who keep things running smooth behind the scenes. They spend hours prepping and making things ready. Our visual techs and sound techs work hard to make our Sunday services are visually seen and audibly heard. Ask for more laborers to come forth to serve in these roles. Praise God for the expertise that is given to each task and for perseverance when there are technical difficulties. Let us encourage them and acknowledge their diligence and devotion.
