Two Ways a Common Study Will Help Us

When this journey (reading and discussing "I Am a Church Member" for six weeks) is over for you, two things will likely take place. First, you will likely have a new or renewed attitude about your church. You will learn the joy of being last instead of seeking to be first. Instead of being a whiner complaining about what's wrong with your church, your will be a unifier seeking what's best for your church.

Second, your church will begin to change. It will become healthier because one of it members is healthier. And as the church gets healthier, it will have a great impact on its community and the world.

Taken from the Introduction of "I Am a Church Member" by Thom S. Rainer

Come to the Prayer Chapel

There are times when we need someone to pray for us, when we need others to help us stand firm and trust in God. Every Sunday there are people willing to pray for you, willing to pray against the enemy and willing to encourage you to stand firm. It can be difficult to get out of your pew in front of everyone and walk to the chapel, but because you are of great value, we invite you to overcome the discomfort and come for prayer.

Being Like-Minded

All are invited to join others on Sunday mornings at 8:00 a.m. to pray with like-minded brothers and sisters. You don't have to be a vocal pray-er. Having many who silently agree with the prayers prayed is another plea lifted before God. Children and youth are welcome too. Sometimes their prayers are the most sincere.

ADULTS

The Mission of God (Missio Dei) - We will discuss the role of the church in God's eternal plans, using the Bible as our guide to answer such questions as "Why does the church exist?", "What does it mean to be church?" and "How does understanding God's eternal mission impact our church's temporal mission?" (Teacher - Pastor Mark, Fellowship A)

Enjoy People...and Clean Up

If your group uses any of the BSLC dishes, please run them through the dishwasher. Instructions on how to run it are posted on the dishwasher and are easy to follow. If you only use 2-3 cups or dishes, then please rinse them well and put them in a rack. If you have any questions about cleaning then, please ask Patti or Kathy.
