

Do Good with Jesus

Congregation Updates

TRANSITION TEAM

Role & Purpose

To guide the timing and process for three initiatives (Vision Setting, Staffing, Leadership Restructuring) in a manner that is effective and healthy for Beautiful Savior.

Progress to Date

The elders board has reviewed the plan and provided feedback. The transition team will meet within the next few weeks to make any necessary adjustments to the transition plan. We will continue to inform the congregation of progress and meeting dates as the plan solidifies.

VISION TEAM

Role & Purpose

To pray and discern God's will for the future of Beautiful Savior while honoring the work done by the congregation during the many forums held earlier this year and reflecting BSLC's mission of Living Christ's Love For Our Family, Community and World.

Progress to Date

The team has sent to elders a revised draft of the vision for their review.

The family of **Ray S** would humbly like to thank our BSLC family for all the prayers, support and help during Ray's illness. But, especially for all the help to put together such a wonderful Celebration of Ray's life. We could not have done it without all of you. Lastly, I personally would like to thank the anonymous donors that gave with their hearts for the special donation given to me. Love you all, Sue and the entire family of Ray. We have been blessed. Thank you Jesus.

Ladies, Look at These New Opportunities

On **Thursdays at BSLC (4:00-5:45 p.m.)** come grow in putting on daily **The Armor of God** as taught by Priscilla Shirer. All day, every day, an invisible war rages around us. A cunning, devilish enemy seeks to wreak havoc on everything that matters to you - your emotions, mind, family and future. But, his reign stops right here, right now. With you. The enemy always fails miserably when he meets a woman dressed for the occasion... a woman who is armed and dangerous. Join other women who are getting rightly dressed (begins Sept 27). Questions: Kathy I

God can seem distant when dreams fade, people die, or careers fail. No one knows the feeling of abandonment more than Ruth and Naomi. But the book of Ruth doesn't end with despair. The story brims with hope because God works on behalf of the two widows in ways they least expect. All women are invited to relax in a living room and be pumped with hope through **The Book of Ruth** by Bianca Juarez Olthoff (RightNow Media) on **Fridays from 10:00-noon** at the Buenger home. You can contact Melony with questions. The study begins on Oct 13.

Help for Stress and Hurts

Constraining forces, pain or influences can cause bodily or mental tension. We've all felt it and know what it is. But sometimes the stress level reaches a point where things begin to break and we hurt inside as well as out. Stephen Ministers are available to help you work through life's difficulties and to give you a safe, confidential place to vent your troubles. For more information about Stephen Ministry, please visit with one of the Stephen Ministers **in the lobby** after the service or contact Kathy D.

Trauma Informed Care - Part 2: Last year, Stephen Ministry invited Love Inc (in the name of Christ) to share with those interested about how early life trauma influences how we respond to situations today. Part Two of the presentation will begin to help us understand how we can better care for people, friends, co-workers, family members and others, who are impacted by things in that past that have influence today. The training will be **Tuesday, Oct. 3, 7- 8:30 pm in Fellowship B.** Anyone is welcome to attend. You can register on the BSLC website. Questions can be directed to Trish R.

Dealing with grief is a heavy burden and brings feelings of isolation and indecision. Starting Oct 9 on **Mondays at 6 p.m.** at Calvary Chapel in Milwaukie (13250 SE Pheasant Ct) is a grief recovery support

group called **GriefShare**. GriefShare groups meet weekly to help you face these challenges and move toward rebuilding your life. Each GriefShare session has three distinct elements: 1) video seminar with experts 2) support group discussion and 3) personal study and reflection. Each 13-week session is self-contained so you can join at any session. If you have questions, you can contact the office or talk with Liz B, who is new to BSLC, but very experienced with GriefShare.

A seminar that GriefShare also provides is called Surviving the Holidays. This evening event lasts for two hours and helps you learn:

- How to deal with the many emotions you'll face during the holidays
- What to do about traditions and other coming changes
- Helpful tips for surviving social events
- How to discover hope for your future

We will give more information about when the next seminar will be held. For more information, go to www.griefshare.org.
