

Do Good with Jesus

Missing Anything?

We have a coats, clothes dishes and various other items that have been placed in Lost and Found. Please look in the Fellowship Hall for anything that might be yours or someone's in your family. Any items not claimed by **TODAY** will be donated. There are also more valuable items in the office (keys, glasses, electronics, etc.) Please check in there during office hours to claim items.

Once a Month Role

If you know the value of being able to get answers to your questions and welcomed warmly, we have a role for you. The Connect Center is where new visitors can be given directions and request name tags and where notes are taken for others in the office. This is a once-a-month role that involves just before and after the service on a Sunday. Any interested persons can contact Patti in the office.

Gifts of Love

We want to reach out to and connect with our preschool families and community. One way we can are doing that is to host a morning of crafts for all ages. This will happen on Feb 9 from 10:00-noon. We can love these people face to face.

If you would like to volunteer for Gifts of Love, please indicate on your Connection Card whether it would be with crafts, refreshments, greeting or other. If you would like to donate muffins or fruit (bananas, grapes and cutie tangerines), that would be great. Please invite your kids, grandkids, nieces, nephews, friends and neighbors to this. The more, the merrier!

Caring and Loving Opportunity Clackamas Service Center

Fulfilled in Your Hearing

You can also take notes to keep on the BSLC app.

The flowers on the altar this Sunday are provided by National Charity League Sunnyside Chapter in gratefulness for the use of this facility and support of their ministry.

We have a staffed nursery upstairs for any tired or restless young ones (ages infant to 4 years), as well as a Cry Room at the back of the sanctuary with speakers for hearing the service.

On Feb 10 we will have a Hymn Sing during the service. Please indicate your two favorite hymns on the Connection Card. We will sing those that get requested most.

January Monthly Verse

“Do not store up for yourselves treasures on earth, where moth and rust destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moth and rust do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also.” Matthew 6.19-21

Spiritual Reading

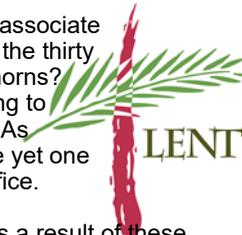

“What I mean to insist upon is that spiritual writing - Spirit-sourced writing — requires **spiritual reading**, a reading that honors words as holy, words as a basic means of forming an intricate web of relationships between God and the human, between all things visible and invisible.”

There is only one way of reading that is congruent with our Holy Scriptures, writing that trusts in the power of words to penetrate our lives and create truth and beauty and goodness, writing that requires a reader who, in the words of Rainer Maria Rilke, “does not always remain bent over his pages; he often leans back and closes his eyes over a line he has been reading again, and its meaning spreads through his blood.” This is the kind of reading named by our ancestors as *lectio divina*, often translated “spiritual reading,” reading that enters our souls as food enters our stomachs, spreads through our blood, and becomes holiness and love and wisdom.”

Ordinary Gems of Lent

What are the objects, the things, that you most associate with Lent and Jesus’ journey to the cross? Is it the thirty pieces? The dice? The whip? The crown of thorns? For our midweek services this Lent, we are going to devotionally consider several of these objects. As we do so, each week we will learn to appreciate yet one more facet of this priceless gem of Jesus’ sacrifice.

And so that you have true “take home points” as a result of these services, each household in attendance is invited to literally take home the objects we will be considering. It will start Ash Wednesday (March 6th) with a simple wooden cross. Each week there will be an additional item to include around your cross, as we follow Jesus to His death and anticipate His promised resurrection.

A light supper will be served from 6:00-6:30 p.m. in the Fellowship Hall, and the services will begin at 6:45 p.m. in the sanctuary, concluding roughly by 7:30 p.m.

Access to the Building

We are changing the locks on all of the outside entry doors of this building of God’s. This will happen on Feb 4. If you need access to the building, we ask that you come to office and talk to Patti. She will help you get ready for the change.

We will be adding a keypad entry to the small door to the left of the main south entry. This keypad will eliminate the need for a key to enter the building. It will not be connected to the alarm system, so if the alarm is on, you will still need to use the alarm keypad to turn off the alarm.

Letters for Us - Come spend some time with us as we go through Paul’s letters to a young pastor, Timothy. We will gaze deeply into these letters, hearing the same words, and being prepared to seek and call our next pastor. The class will bring us great value and give us insight and wisdom. (Teacher: Brad Owens, Fellowship A)

Wednesdays 6:30 p.m.

The Truth Project - We live in an age where the very concept of truth is challenged. But how do we keep from being caught up in all the confusion? For eight consecutive Wednesday evenings from January 9 through February 27, you are invited to be part of an in-depth Christian worldview experience called “The Truth Project” produced by Focus on the Family. Each night features a video presentation by Dr. Del Tackett followed by group discussion and debriefing that ends by 8:00. Come prepared to exercise your brain, and your faith!

Making Our Mothering Significant

Being a mom is not easy. The demands are great and so is the desire to raise your kids so that they are confident, courteous, capable and caring. We have an opportunity on the 2nd and 4th Monday of each month from 9:30-11:00 a.m. where you can share the ups and downs of being a parent, enjoy a cup of tea or coffee without being interrupted, reflect on a short devotional and be strengthened by prayer. All moms with kids still at home are welcome to come. Trina B will be facilitating the group which begins this Monday.

Progressive Luncheon for Ladies!

Think back to a time when you had really enjoyable time with other women. Needless to say, it probably involved food. Well, get your taste buds and laughing muscles ready for a unique kind of luncheon! Women’s Fellowship is putting on a Progressive Luncheon on Saturday, March 16, from 11:00 to 1:00 p.m.. What is unique is we will move from table to table with each course, giving us the opportunity to interact and laugh with more women. This is DEFINITELY a luncheon you want to invite your friends to!

To help with planning, please mark on your Connection Card of your attendance and the food item you will bring. We’re looking forward to getting together again, and would like to get an idea of numbers, so we can plan accordingly.

Hoping to see you there! Women’s Fellowship Team
