## WE DO NOT WANT YOU TO BE LIKE THOSE WHO HAVE NO HOPE.

### INJUSTICE

Jesus is poking us on the need for the church to have a stronger voice on matters of injustice. As we listen to Him, we would love to hear where you see, or are involved righting, injustice in our world. You can use the yellow Welcome Card or email [pete@bslc.com](mailto:pete@bslc.com).

### FOLLOWING JESUS INTO OUR COMMUNITY

Do you want to see and help the needs of hurting people? You can join us in supporting foster kids/parents, building relationships with the homeless or international guests, serving refugees, or giving your time and talents in a variety of ways. If Jesus is asking you to follow Him by loving your community, share with us and we will find a way to support you.  
[pete@bslc.com](mailto:pete@bslc.com)

## COMMUNITIES OF FOLLOWERS

We are not about trying to look good. We are trying to follow where Jesus leads us. How can we enjoy people deeply and be our honest, unique, flawed, vibrant selves?

We are meant to learn this together, because frankly, alone we lose steam and we get stuck. We need people around us who genuinely appreciate who we are and care about who we become. We have **30+** different groups of all shapes, sizes and times of the week who walk this way together.

***Does any part of this tug at you a bit?*** That may be God prompting you to just learn a bit more. We would be glad to talk with you and help you sort through some options. Simply contact Kathy at [kathy@bslc.com](mailto:kathy@bslc.com).

## SAINTS LIVE

Our active group of seniors is called **Saints Alive**. On the second Thursday of each month we gather to venture out, participate in speaker engagements, play games, organize community projects and offer love and support to one another. We help one another not only enjoy these years, but also be purposeful and learn new ways to love Jesus and the people in our lives.

## SUNDAY ADULT CLASSES

**WOMEN WALKING TOGETHER:** A relaxed and informal space for women of all ages, seasons, and walks of life to freely connect, form community, and enjoy time together. This is a non-intimidating place to meet new people, share laughs and encouragement and interact in creative ways. (Facilitated by various women)

**EPHESIANS** - We will focus on the fundamentals of the Christian faith that the Apostle Paul so wonderfully presents in the Book of Ephesians. Even though he wrote to the church in Ephesus in the first century, he is equally writing to us 21st century believers in regards to being alive in and one in Christ, being saved by grace, being God's workmanship, and promoting unity in the church. But wait....there's more! Paul also presents to us The Full Armor Of God, that we may be protected in the arena of spiritual warfare. (Facilitated by Kurt W)
