August 14: Budget Presentation

Staffing Change

For about 4 years we have had a support position on staff for children and youth ministries. Most recently this position has been filled by Graham S. But our congregation is facing a significant budget shortfall this year – currently estimated to be around \$65,000. As a result the elders have chosen to eliminate this position and plan to fill the need with volunteers instead. In no way does this reflect on Graham and his performance. He has been a joy both for the staff and for the youth and children. We are deeply thankful for his service. You can see the volunteer needs listed below – not all were filled by Graham. We invite you to express your thanks to Graham and to pray over the needs below as well as the financial needs.

Classes For All

NO CLASSES TODAY. Spend time as a family and honor those who have fought for our freedom.

BSLC lovingly connects with those who live on the streets or are struggling to make ends meet by providing and serving a meal every Thursday. We delve to not just give them a meal, but to value them as people and listen to their stories.

There is an opportunity for one or two people to join in this ministry. Both openings are on every third Thursday of each month. One spot is to help with transporting the meal and the other spot is to help with serving the meal. One person can do both or two separate people can do each position. The transporting does include lifting pans or bowls of food and a 10 gallon juice cooler (3/4 full). If God is calling you to join this ministry, please contact Patti in the office. If doing it every month is too much, just tell Patti which 3rd Thursdays you could do it.

Be praying for the **Mexico Team** as they prepare, pack, seek God and obey His Word. They will be commissioned on June 12.

Pre-mission trip teams meetings

June 5 10-11:30 Fellowship A

June 12 10-11:00 Sanctuary.

All team members, along with interested family, please plan on attending both meetings.

To participate, you can donate cotton fabric (2+ yard lengths), cotton or dual duty thread, and/or a financial contribution to purchase sewing equipment. You can place your sewing supply donations in the lobby closet through June 5th. Mark any financial contribution as "MEXICO SEWING".

The Mexico team will be building homes for the Cruz family. The team will build beds as well and so we have the opportunity to provide four (4) twin mattresses. If you would like to donate one or two or all four, please contact Doug. (the mattresses can be gently used; we don't need box springs but will take them off your hands).

The team is also looking for donations of either children's or adult's undergarments, please put them in a bag labeled for Mexico in the clothing cupboards in the coat room. Deadline June 5.
