Congregational Meeting

August 14: Budget Presentation

BSLC lovingly connects with those who live on the streets or are struggling to make ends meet by providing and serving a meal every Thursday. We delve to not just give them a meal, but to value them as people and listen to their stories.

There is an opportunity for one or two people to join in this ministry. Both openings are on every third Thursday of each month. One spot is to help with transporting the meal and the other spot is to help with serving the meal. One person can do both or two separate people can do each position. The transporting does include lifting pans or bowls of food and a 10 gallon juice cooler (3/4 full). If God is calling you to join this ministry, please contact Patti in the office. If you would like to do it only for certain months, just tell Patti which 3rd Thursdays you could do it.

If God has put on your heart to pray for and stand up for those enslaved in sex trafficking, you may want to listen to some podcasts by Adrienne Livingston, Director of Anti-Sex Trafficking Initiatives, on the website justicehopefreedom.com. The podcasts highlight individuals and organizations that are working to bring justice to the enslaved. Listen to podcast interviews (10-35 minutes in length) from experts, activists, survivors, law enforcement, leaders from Oregon and around the world.

CHILDREN'S TIME - Available during the 11:00 worship service for children 4 yrs. thru 2nd grade in Room 201/203 during the message time. Kids get to be active and parents are free to listen and learn. Children have the option to stay during the sermon or leave with the volunteers after the children's message and return after the sermon message (about 25 min.). Parents are encouraged to volunteer on a rotating basis. **Leaders: Kari & Katie S**

CareNetwork

Getting Started

The CareNetwork gets you started by helping identify options, discover the path that will work for you, and prepare you for that process. Let's review some of those options that you can expect to hear about and discuss:

- Stephen Ministers-confidential support by trained volunteers
- Elders-Support for theological and spiritual questions
- Small Group-Natural support group of your peers
- Community Resources-Our professional network of counselors

Additionally, many people act naturally in response to those in need, providing practical help for daily living. Our goal is to work in ways to communicate where the needs are and match them with the appropriate care and support. See the CareNetwork brochure back panel (at the Welcome Center) for detailed descriptions of CareNetwork Teams.

Daniel - We can learn from one another as we read through, chapter by chapter, this book from one of Israel's strongest prophets. Though written around 530 B.C., we will see relevant topics of dealing with adversity, standing up for what's right, being an instrument of truth, proclaiming comforting news of redemption and hope, and ways to encourage the faithful. Each week we will leap back in time to see the Kingdom unfold within us. Facilitated by Kurt W - Room 101

Confident Parenting Class - Family Sunday in Fellowship A
Facilitated by Paul H

We have provided the Portals of Prayer devotional guide for many years to any that wanted it. As we seek to use our funds wisely, it makes more sense to help people order their own subscription rather than purchase them in bulk and not know if they are being used and recycling ones that don't get used. A subscription can be purchased via Concordia Publishing House and received as a booklet or in digital form to read on a mobile device or computer. A subscription costs \$15/yr or \$17 for large print. If it is a great resource for you and the cost is too much, contact the BSLC office and we will order a subscription for you.

Our Monthly Verse

The earth is the LORD's, and everything in it,
the world, and all who live in it; **Psalms 24:1**
