We have an efficient dishwasher in our kitchen. It can do one load of dishes easily and quickly. We ask that if your group uses enough cups or dishes to fill a dishwasher rack, to please run them through the dishwasher. The instructions are simple and are posted on the front of the dishwasher.

Intentional Connections

Our summer schedules include vacations, kids camps and trips, home projects, etc. All this activity breaks into our usual routine and may result in feeling disconnected for our support networks, whether that is small group, service projects or church teams. Here are some ideas for intentional staying connected when you may not be meeting weekly

- Use Group Facebook Page to post pics of what you are doing
- Make individual coffee meet-ups with group members to deepen relationships
- Look for service opportunities that your group would do together
- Meet monthly for a fun activity
- Call one member of your group each week to encourage and support them

Finally, check out this verse: *Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another—and all the more, as you see the Day approaching. Hebrews 10:25*

An Easter Life in a Good Friday World
(Message notes I want to remember)

Pray for One Another

We would like to pray for you! If you have public prayer requests you can share them on your communication card or call the office.

Pray for Family

- Provide strength and comfort for those struggling physically:

Pray for Community

Draw to faith in CHRIST JESUS: Paris, David, Rob, Joy, Shawn, Michael, Ryan, Rachel, Betsy, Sara

Pray for the World

The Sending Committee recently chose on behalf of this congregation to partner with Kerry and Josie who are on staff with International Students Inc.

International Students Inc. has been around for more than 63 years as a non-denominational, non-profit ministry organization that mobilizes and works with a variety of evangelical churches and Christian individuals to share the love of Christ with international college students and visiting scholars throughout the United States.

Kerry is the City Director and oversees six staff members. He and his wife, Josie, lead an outreach to students at WSU-Vancouver. They also oversee the Friendship Corner groups (mostly Asian aviation students) in Hillsboro and Troutdale (Norm & Marie and Ron participate with this group). www.isionline.org

- Pray for a strong marriage that glorifies Christ as they model love, trust, joy, faithfulness, vulnerability and happiness.
- Ask for wisdom, enthusiasm and zeal to mobilize others to befriend those who are from other parts of the world.
- For quick friendships to be made and God-talks to take place since some students are here only briefly.
- That God will show His provision of all things for Kerry and Josie and each international guest that is befriended.

The Pacific Northwest Adult & Teen Challenge is a 501 (c)(3) non-profit, faith-based program. Our Portland Metro Campus serves men who are 18 years or older, whose lives are being destroyed by life-controlling problems such as drugs, alcohol, gang activity, destructive behavior, or other negative life styles.

Adult & Teen Challenge is an international Christian program with over 50 years of history providing assistance, supporting, and challenging people to make the right choices by turning away from their destructive life styles.

The staff members and volunteers at Adult & Teen Challenge are here because they believe that the Lord has called them to this ministry to reach-out and help desperate people seek and find answers.

Adult & Teen Challenge does not receive federal or state funding, but is locally supported and entirely dependent upon free will gifts, contributions, our work programs, fundraisers, and TC Resale & Donation stores.

TC Resale & Donation stores exist to financially support Pacific Northwest Adult and Teen Challenge, to provide vocational training to the students in our recovery programs, and to impact our communities. There is a store in Milwaukie and Portland.

Vocational Training

Every day we have over 60 students working in our stores, gaining real work experience in a healthy environment. Their training provides an opportunity to enhance their resumes and help them secure employment after they graduate.

Financial Support

Almost half of the revenue for our recovery programs is raised through our stores. In 2015 alone, we received nearly \$100,000 in our donation jars to support global missions and our annual camp.

Community Impact

Our stores offer a tremendous variety of merchandise, from collectibles and vintage items to clothes, furniture, and more. We offer some of the lowest prices in town, and provide donation pick-up.

Be praying for the **Mexico Team** as they return home Sunday - Tuesday.

Our Monthly Verse

The earth is the LORD's, and everything in it, the world, and all who live in it; **Psalm 24:1**
