### Ladies That Blessed PRC

"To the lovely ladies who put on the wonderful baby shower for our SE Center:

*Thank you*

I want to sincerely thank you for the beautiful shower you put on for our Pregnancy center last week! I was overwhelmed and so touched by

your generosity and thoughtfulness. It encourages us more than you know to have people from the community come alongside us to serve women and babies in need. I loved everything about that shower. Thank you so much. P.S. The enthusiasm was wonderful! Please keep up the good work for His Kingdom. God bless you all."

## Frequently Asked Questions

**What kind of service can I expect?** We have a beautiful mix of traditional hymns and contemporary songs. We project words and lyrics on the wall for ease of reading and participating. You are welcome to wear whatever you feel comfortable in when around other people.

**How about my children?** We have a Family Message during the service where an adult accompanies the children to the front for their own message. Art bags are available in the lobby to help children focus on age-related papers. Upstairs is a staffed nursery for babies and toddlers and a cry room at the back right for nursing or fussy little ones.

**When and how do you serve communion?** On the 1st & 3rd Sunday. The rows of people are ushered to front kneelers where the elements are offered by elders with multiple options based on preference.

**Do you have Sunday School classes for all ages?** Yes, though in the summer we only have one class for adults and children. See bulletin.

Summer offers some time to invest in what gives you rest. Whether you prefer a novel, adventure, biography, teaching, spiritually challenging, humorous or even a healthy recipe book, we have a wide selection of books you can check out to take on a vacation or enjoy with your feet up. Visit the Library anytime up next to the office. Here are a couple of titles that may pique your curiosity:

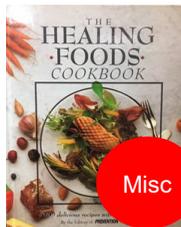

Self Help

**A Complaint Free World by Will Bowen** - By changing your words, you can change your thoughts. You can learn what a complaint is, why we complain, how it affects us, tricks to being mindful and how to get people close to you to also stop their complaining.

Fiction

**Jacob's Way by Gilbert Morris** - Russian Jews escape to the U.S. to be traveling merchants in post-Civil-War South. The aged Jacob searches for answers concerning the Messiah amidst a broken people where danger still lurks, but where promise and love are also close at hand.

## ADULTS

**Galatians - Freedom** - Which would you prefer: slavery or freedom? Unfortunately, many people today equate freedom with "personal choice" or "do your own thing" without regard for God's Word. Yet with Christian freedom comes Christian responsibility – toward God and for others. As we study Galatians, we will look at the freedom God wants us to live in, especially as we become more and more ready to call a new pastor. (Teacher: Pastor Mark, Fellowship A)

## New Class for the Summer - GOSPEL DNA

Some people are surprised to learn that the LCMS once had a reputation for being one of the more progressive, outreach-oriented church bodies around and on the forefront of missions. It wasn't something relegated to a committee or a board; it was our essence, our DNA!

GOSPEL DNA: A STUDY OF OUR LCMS HISTORY

During July and August, we will rediscover this DNA, learning about the rich history of the LCMS and the different Gospel Strands that tie into it, including locally right here in Oregon. Having this picture of the missional movement of the LCMS over the years will help us bring that spirit into the present day and keep us moving forward as we prepare to receive a new pastor. Each installment consists of a video element and a study guide with questions, a Scriptural focus, and possible action steps.

Moving forward as a church in the 21st century doesn't necessarily mean reinventing ourselves. Sometimes it is simply rediscovering who we have always been.
