DEALING WITH DIVORCE & PEOPLE IN A TROUBLED MARRIAGE
July 17 at 7:00 pm - 8:30 pm BSLC Fellowship B
Guest Speaker: Steve B

Stephen Ministry is hosting an evening seminar that addresses a relevant and important issue in our culture. Steve has his Masters in Marriage & Family Therapy from George Fox College. He has shared more than 3000 hours counseling couples and people considering divorce. Come and hear how you can better minister and understand those struggling in their marriage.

He will cover:

- Background stats on families in crisis
 - Where is the church in helping these families?
 - What is family systems thinking?
 - Where does divorce come from, really? We know surface level symptoms, but what are the underlying systemic issues?
 - How do we respond to grief, especially intrafamilial grief which is more complex?
 - Emphasis on the unwilling participants: children. Our role in protecting them and what to be cautious of.
 - A list of additional resources to help.
- Please register on the web or the app or at the Connect Center.

July Monthly Verse

"For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord." Romans 8.38-39

Control

"To exercise directing influence, power, and authority over conditions"

Humans like to be in control, having the power to choose exactly what is going to happen and when. Unfortunately life isn't like that—we only think we're in control. So when something happens and we realize we're not in control, we feel lost, overwhelmed, angry, even terrified. Stephen Ministers are trained to help when things are out of control. They provide support and encouragement while helping a person put faith and trust in God. If you would like to know more about Stephen Ministry, please call Kathy D to learn how you can benefit from a Stephen Ministry Relationship.

rightnow MEDIA

During the summer, we rest and relax. What would it look like to rest in Jesus, to give our spirit some simple, but satisfying nurturing? You can do that easily through RightNow Media. There are thousands of videos and recordings that can refresh your spirit. Here are a few of some interesting and invigorating series:

The Book of Colossians by Louie Giglio (*What we think about Jesus matters. Our perception of Him shapes us—what we say, how we treat others, even what we think. If we paint Jesus as any less than who He is as supreme over all creation and savior of the world, not only does our theology slip, but the working out of our faith also suffers. This series helps us form a complete picture of Jesus.*)

Thriving in Babylon by Larry Osborne (*These are confusing times for many Christians. Traditional biblical values are not only rejected; it seems as if they're attacked on every front. It's all happened at warp speed, leaving many of us spiritually and culturally disoriented or even fearful, frustrated, and angry. How can we spiritually survive in an increasingly spiritually hostile environment? And is there any hope for the next generation? Learn how from this look at Daniel.*)
Philippians-Where Does Joy Come From by Phil Vischer (all ages) (*With the help of some animated friends, Phil unpacks what it means to live with joy both in times of happiness and in times of sadness.*)

Befriend by Scott Sauls (*Yes, it's true: Real friendship is costly. Love does make us vulnerable. But without risk, our lives will remain impoverished. Learn what it means to be a good friend in an age of judgment, isolation, and fear.*)

Think Like a Detective by J. Warner Wallace (*Join Detective Wallace in this exciting series as he provides answers to some of the toughest questions that attack the Christian faith as you are trained to become a Christian case maker. Learn to Think Like A Detective and be prepared to give an answer to everyone who asks you to give the reason for the hope that you have.*)

Chi-Rho - (children) (*Cora undertakes a perilous rescue mission using a time-traveling cube. At her side she has Ismael, a young boy from Jesus' day and the marvelous Wonderers, a troupe of musical animals.*)

If you haven't yet got access to RightNow Media, simply send an email to Kathy@bslc.com. (It is free for anyone who wants to use this great resource. BSLC pays the subscription.)
