

Do Good with Jesus

Training for Helping at FPNO

We are getting ready again to love on kids and give their parents a few hours break on the 3rd Saturday of each month. It

would be helpful to have another 20 people trained from BSLC and available for serving. The next FPNO training will be held **TODAY, Sept 25, from 2:00-4:30 p.m.** in Room 105/107 (Middle School).

There are lots of ways to serve each month, so come learn how you can be involved. Judy C would be glad to answer any questions you may have.

Ways to Help Foster Children

Emergency Needs List

The North Clackamas office keeps an email list of volunteers interested in receiving requests from DHS staff to benefit children. We're committed to only sending requests an average of twice/month. A larger pool would help with the community's ability to respond. It's a tangible way for folks to directly help children in care, bless families, and encourage DHS staff. Sign up via <http://www.embraceoregon.org/connect/> and write that it is to be added to the email Emergency Needs List.

Respite Care

One of the biggest needs voiced from foster families over and over again is respite care. We're compiling a list of volunteers interested in providing respite care for Embrace Oregon foster families, and will facilitate opportunities to connect them with families in need during the next year (i.e. Respite Mix & Mingle, see below). Respite providers can watch kids overnight for one night or up to two weeks to give foster families a much needed break; and the arrangement is made between the respite provider and foster family.

It's that time again for the **Portland National Christian College Fair!** The college fairs are a great opportunity for students and families to meet with college representatives to learn about the value of Christian higher education.

Students will be able to interact with over 40 Christian colleges and universities at the fair to find out more about each school and ask lots of questions. Financial aid seminars will be provided to educate families on the opportunities available to finance private, Christian education. In addition, this year 104.1 THE FISH will be present with fun giveaways for families.

Join us next week, **Monday, September 26** at Westside Christian High School, 8200 SW Pfaffle St, Tigard, OR 97223. The college fair runs from 6pm-8pm. Admission is free.

Ragtags Wanted

When Jesus' ministry began, he called 12 disciples to be his primary relational and ministry community. Did Jesus need this motley crew to help him? Not really. But Jesus chose to love them, teach them, and pour himself into relationships with them, thereby creating the first "small group."

The apostles continued Jesus' model and formed a community of believers who loved God and loved one another. Despite incredible persecution and against all odds, this ragtag group of Jesus-followers launched small communities (i.e. church) that proclaimed the gospel and changed the world forever.

Join a small group of BSLC "ragtags" today. Perhaps you will change the world.

ADULTS

Love As Jesus Loved: The love that flows from is life is a reflection of your Christlike character. But what does that look like? By cultivating trust in your relationships, practicing the character of humility, and submitting yourself to God, you can learn to love as Jesus loved. (Fellowship B, 4 weeks, video series by Bill Hull, Frankie)

Sharing The Bible: Once you know what a passage means, how do you share that meaning effectively with others? Maybe this would come up with your family or a small group or even in a worship service sharing about the readings. We will learn a basic framework and tips on communication and weekly practice this with each other. (Fellowship A, 4 weeks, Pete)

Women Walking Together: A relaxed and informal space for women of all ages, seasons and walks of life to freely connect, form community, and enjoy time together. This is a non-intimidating place if you are new, feel lost or not sure where you fit. (Room 101) 9/25 -Video and discussion
