

# First Communion Follow Up – BSLC

## A. Making a Reservation

1. When you're ready, reach out and set up a time for a 30 minute conversation with Pastor Kevin and Pastor John - email [johnd@bslc.com](mailto:johnd@bslc.com)
2. Parent and/or sponsor review conversation questions with their child prior to the meeting.
3. Meet at church for the conversation with the pastors.
4. If everyone is in agreement, schedule a time for your first communion in worship.

## B. Review Questions

1. What was your favorite class activity and why?
2. Why did we learn about the blood of the Passover lamb. What does that have to do with the communion?
3. What are some of the gifts that we receive in Holy Communion?
4. What specific things do you and your family do to get ready to eat a meal at home? What are some of things you and your family do to get ready to eat at the Lord's Table?
5. Are you ready to receive Holy Communion? Do your parents believe you are ready to receive Holy Communion?
6. Do you have any questions for us?

## C. Schedule Your First Communion

Child's name: \_\_\_\_\_

Date of 1<sup>st</sup> Communion: \_\_\_\_\_

Kind of wine: Red \_\_\_\_\_ or White \_\_\_\_\_

On the day of your first communion, you should come to worship 10 -15 minutes before the service begins because our pastors would like to meet your family before worship for a prayer. Please sit in the front of church in the left center section. We will invite your family to commune together before everyone else.

Are there any special people you plan to have attend your first communion?
