

Transportation:

Except for those driving in Philo truck to San Diego all others will be flying round trip from PDX to San Diego and San Diego to PDX. **Explanation for higher cost of trip is due to the church bus is no longer available to take to Mexico thus the next best way is to fly but it is more expensive and yet still a great value considering that most mission trips are in the thousands of dollars. Good time to mention we should have charged \$500.00 last year. Oh Well, thank you Jesus from you all. This is probably a good time to remind all of us that BSLC is very generous in contributing the funds that has kept the cost of the trip affordable in the past and will continue to assist moving forward. Remember this is a Mission trip that takes a sacrifice and is giving Glory to God.**

We will continue this year with our ministry of building a home for a needy family
